GET A MAGNIFICENT BUILDING LIKE THIS AND SAVE BIG \$\$\$

"That's a fact" if you order one of our standard Australian Designed and Engineered Approved Kit Form Buildings, not only will you save big dollars, **BUT YOU CAN HAVE IT NOW!**

Ideal For

All Trades - Mine Sites - Manufacturing - Construction Industry

All our standard Kit Form Buildings come with all the components, such as; Columns, Rafters, Purlins, Bridging, Bracing, Super Strong Colourbond Cladding, Gutters, Electric Roller Shutters, Down Pipes, Holding Down Bolts, Nuts and Bolts, Tek Screws, Drawings, Etc, **"Everything except the concrete"**

All our building components are packed on skids and housed in sea containers for security & easy transportation to all major ports, anywhere in the world.

"We have many great models to suit your

needs" "We have models with high

clearances"

"We have models with Dado

walls" "We have models fully

Cladded"

"We have models with Gantry

Beams" "We have models with

offices"

"We have models with big doors"

And if we don't have a model that suits your needs

"We'll design one that will"
